Dear Resident

As part of my continued commitment to being accessible and available to all my constituents, I am holding a drop-in surgery in your local area, the details of which are overleaf. I would be very pleased to see you there and to hear any concerns or issues you may wish to raise with me.

It is important to me to remain well-informed of the matters that affect you and your community. To that end, I would be grateful if you could take a few moments to complete this survey. Your responses help me to represent you more effectively.

If there are any other matters you would like to raise with me beyond the survey, please do not hesitate to get in touch by emailing tellgeoffrey@geoffreycox.co.uk.

With my thanks

Geoffrey Cox
